

CBLU23IN1 3-1 PC LINK CABLE

Description:

ODD SHARING: Sharing the CD / DVD drive between two pc's is the most convenient solution for a net-book pc which comes without a drive.

MK SHARING: Control 2 PC'S with the same mouse & keyboard via this cable.

FILE COPY: Copy files / folders by using "drag & drop" actions on windows or the usual copy (Ctrl+C) & paste (Ctrl+V)" functions.
